

## Preschool Photography Consent Form

Dear Families,

In line with the new National Model Code, our centre is required to obtain the consent of a parent or guardian before any professional preschool photography takes place. Ahead of the 2026 Photo Day, we ask for your permission for your child to be included in their group photos and activity photos.

**Please note:** Providing consent allows your child to be photographed, but there is no obligation to purchase any photos. Without consent, your child will not have individual photos taken or be included in the group photo, which may result in an incomplete group photo for all families.

### PARENT/GUARDIAN CONSENT

I understand that:

- SchoolPix will photograph my child on Photo Day, including individual activity photos and the group photo.
- All images are stored securely and shared only with each family through a private, password-protected gallery featuring their own child's photos.
